20th October 2006

Dear supporters of the Mbonomhule Appeal,

I am delighted to be able to tell you all that the Mbonomhule Classrooms that you so generously supported have been completed, together with a new toilet block and water tanks.

I have just returned from a visit to the school where the children and staff are absolutely delighted with their new facilities. There was a school assembly arranged for me where the children sang and danced and there were speeches expressing their gratitude to you, their donors.

I took with me armfuls of pens and pencil sets that Inner Wheel clubs had donated and a large laminated map of the world for the classroom wall.

The Mbonomhule project is finished but the work of the Eshowe Community Action Group continues. There are still many rural Zulu communities with little or no education facilities for their children. We shall continue to support ECAG through the Rotary club of Eshowe. If you would like to help some more Zulu children, please get in touch with me.

John Moss
