

We did it

He did it

LOOP THE LOOP in a **GLIDER!!!**

Don Lawson,
Welwyn Garden City

We did it. We did a 'loop-
the-loop' in a glider!!!

13 people had the thrill of a lifetime doing the 'Loop'

"Looking *up* to see the fields was really weird! A brilliant experience."

Philippa Eccles. District Assistant Treasurer

"I absolutely loved it. The pilot was fantastic-he even let me do a 2nd Loop because I loved it so much! Seeing the world from upside down like that is the best feeling ever!!!

Debbie Nichol, Hairdresser

Did you miss out last time?
Your luck is in because we're going to
do it again, on Sunday 3rd August.

Dare you 'do' the LOOP?

Have you got the bottle to do it?

The members of the London Gliding Club at Dunstable Downs are willing to take each volunteer who raises £250, or more, sponsorship for about a 15 minute flight in their glider and to perform a '*loop the loop*' before landing. The flights will take place on Sunday August 3rd or the 10th if the weather is bad. BUT, it is possible to arrange a 'loop' on any suitable day.

All sponsorship money raised will go to Wolverton and Stony Stratford Rotary's on-going projects to improve health and education facilities for the children of rural Kwa-Zulu Natal in South Africa..

Go on, put yourself forward for sponsorship. Get the members of your club to think of their sponsorship as a donation to the health and welfare of Zulu children and how it will scare the living daylights out of you! Just £250 to raise. Of course you can do it.

Not for you? OK, fair enough, but do you know someone who would do it?
Perhaps your club would donate £250 and offer the 'Loop' experience to someone as a raffle prize?
